### Supporting Our NHS

We want to support our amazing NHS and its frontline staff

#### 1. Free 2021 STS Membership for NHS Frontline Staff

Our clubs have some amazing volunteers. Undoubtedly many will be part of the NHS frontline staff fighting COVID-19. We want to showcase these superstars and the amazing work they're doing. If you are one of them, please tell us a bit about yourself and what you do by [completing our short form](#). All NHS frontline staff that complete this and are eligible will receive free STS Enhanced Membership for 2021.

#### 2. Donations From Our Events

For any STS events we take bookings for from now on we will be asking, if the event is cancelled, would you like your entry fee refunded back to you or donated to the NHS. There is no pressure to do so but all who choose to donate will have their entry fee form part of a donation STS will make to the NHS to continue the amazing work they are doing.

We hope members support these initiatives.
