COVID-19: Webinar Programme

At the start of lockdown STS launched its COVID-19 webinar series to support members. During this time we delivered 10 webinars to over 150 attendees. We are taking timeout now to reflect on our education programme going forward but keep your ideas coming in for topics you would like to see, either online or in person, using the link below.

COVID-19 CLUB SUPPORT

STS is looking to support our member clubs with some new services to help with the current lockdown situation:

Club AGMs—if you need help with holding your club AGM online during lockdown, STS can provide access and admin support to help

Online Training—if your club has training needs that we can help to deliver online, let us know by completing our education survey [Complete Our Education Survey](#)

Funding—whether its through employing staff or facility payments, even when closed, your club may still be incurring costs. Below is a link to advice, support and grants to help clubs get through this difficult time—*prepared by sportscotland*
